

CV MALIK MOHD. BINSHAIKHAN

Nationality: Emirati

QUALIFICATIONS:

- Bachelor's degree in Electrical Engineering - Department of Aviation.
- Professional Doctorate in Training and Human Development - University of Toronto - Canada.
- A global trainer and human development consultant certified by the American Canadian Board of Professional Training.
- A professional trainer and certified in (20) training programs in the field of human development skills, self-development, leadership and management skills from various training agencies in the United States of America and Britain.
- An institutional excellence expert.
- Expert and corporate governance advisor.
- Occupational safety and health expert.

EXPERIENCE & ACHIEVEMENT:

Author of Human Building Program for Pioneering Excellence. It consists of 45 courses in the field of human development skills, leadership qualification and institutional development. (Skills from the UAE). The program is powerful and has an excellent reputation in all organizations that have received it. I trained about 20,000 trainees from several different organizations.

- I have experience in the field of training for more than 20 years. I am a motivative and influential researcher, expert, thinker, lecturer and speaker in the field of human development skills, self-development, leadership qualification and institutional development.
- I hold more than 300 certificates, including participation in workshops.
- I hold more than 300 certificates of thanks and appreciation letters for the effective participations in the provision and success of training programs in several governmental and private agencies.
- Training outcomes include more than 1000 training programs in the field of human development, leadership qualification and institutional development.
- I seek to motivate and develop individuals, spread positivity and build a high-end institutional culture in the work environment, and to build institutional and national loyalty to raise performance and the spirit of social responsibility and to encourage positive citizenship.

Previous position: Head of Training Department (Trainer) Officer Retired Engineer.
